# Alila

SOLO . JAVA

## The Heart of Java

Located at the gateway to Solo, “The Spirit of Java”, Alila Solo is a modern urban retreat set to become an icon in his heritage-rich city. A city steeped in ancient traditions and heir to the Mataram kingdom, offering access to the many cultural and natural wonders of Central Java. Distinguished by innovative design, attention to detail and bespoke service, this landmark luxury hotel is not only an ideal venue for business travellers and corporate retreats, but also a relaxing escape for leisure travellers, offering a myriad of technology-driven, resort-inspired facilities that are second to none in the region.

## Surprising Solo

Rising above the city's main commercial avenue, Jalan Slamet Riyadi, Alila Solo is located a 15-minute drive (13 km) from Adi Sumarmo International Airport and minutes from the city's main attractions. Solo, also known as Surakarta, is a fantastic base for exploring the countryside of Central Java, a lush, mountainous region with a rich and varied agricultural landscape. Many points throughout the city offer superb views of the active volcano, Mount Merapi. Also a major textile centre, Solo brings together Indonesia's best batik fabrics and other indigenous crafts. The breathtaking Borobudur and Prambanan temples can be easily visited on a day trip, and good road and rail links offer easy access to Yogyakarta, Semarang and other cities in Java.

### Havens of Comfort and Style

Alila Solo's 255 well-appointed rooms and suites combine contemporary style with subtle nuances of Java. From Deluxe Rooms to Executive Rooms on high floors, which enjoy upgraded amenities and access to the exclusive rooftop lounge, business travellers will find a quiet haven overlooking the green city. Additional space is afforded in the expansive Executive Suites and the heavenly Alila Suites, whose spacious interiors overlook a hanging garden with private pool, while the Presidential Suite offers a stay in sumptuous splendour.

## Alila Hospitalities

The hotel features a full range of facilities including an all-day dining restaurant, café, rooftop bar and executive lounge, swimming pool, gym, Spa Alila, business centre, kids club with pool, and an events centre with indoor and outdoor venues for meetings and weddings. The hotel also offers free HSIA connectivity throughout the hotel, 24-hour room service, 24-hour concierge, laundry, babysitting services and airport transfers to ensure that every guest's needs are well taken care of.

## Dining Pleasures

The hotel's all-day dining restaurant, Épice, enchants local and foreign palates with a varied menu of Indonesian and international fare in a relaxed setting. Sophisticated urbanites will relish the views from the rooftop bar, Agra, Solo's exclusive evening rendezvous for eclectic tapas and creative cocktails. For chilling out in style, the breezy pool deck café, Largo, is a cool spot to unwind with light bites and refreshing drinks.

## True Indulgence

Take pleasure in the therapeutic and pampering care of Spa Alila, whose treatments blend ancient Asian healing techniques with age-old beauty recipes, delivered from the heart. Spa Alila is dedicated to cleansing, relaxing, pampering and rejuvenating guests with therapies inspired by the healing and beauty traditions of the region. Deeply soothing, totally refreshing. Pure relaxation...

## Alila Experiences

Explore the Javanese charm and beauty of Solo with the warm assistance and guidance of our Leisure Concierge team. Drawing on our team's local knowledge, our Alila Experiences offer unique interactions with the destination based on guests' personal preferences. Whether discovering cultural and culinary traditions, engaging in exhilarating outdoor pursuits, or indulging in wellness and couple celebration, embark on bespoke experiences for a truly memorable and experiential sojourn.

## Events Centre

For MICE and weddings, bigger is better when it comes to space with two ballrooms that can be combined into one Grand Ballroom accommodating up to 3,500 guests. Fourteen additional meeting rooms are served by a unique meeting hub and business centre concept with the latest technological conveniences.
